

## CONCESSION STAND FILL IN PHONE LIST

The youth listed below are willing to work concession duty for parents who are unable to work their teams' scheduled time slot. Please coordinate work schedule and payment arrangements directly with each person you hire. The rate to hire a teen is \$5.00 per hour of work. Also please notify your team manager or team mom if you have hired a youth to work your shift. At least two adults are still required to work each shift in order for grill and food preparation safety.

If you have questions regarding the concession stand procedures please contact Bubba Smith at 575-3751 or bsmith@kll.org. If he is not available you can contact any other board member.
